

Appln. No. 10/690,129

Attorney Docket No. 10541-1877

I. Amendments to the Claims

1. (Currently amended) A window assembly for a vehicle comprising:
 - a fixed window with an opening;
 - a movable window panel which slides relative to the fixed window to cover or expose the opening in the fixed window; and
 - a flexible cover positioned over a bottom edge of the opening in a removable manner, the cover having a first end and a second end, the first end being attached to a lower portion of the fixed window with an attachment, the cover being able to pivot about the attachment to drape over the bottom edge or to hang away from the opening, the second end and the fixed window being provided with attachment mechanisms to attach the second end to the fixed window in a removable manner, both the first end and the second end extending across the width of the cover substantially parallel to the bottom edge of the opening.
2. (Canceled)
3. (Currently amended) The window assembly of claim 1 2, wherein the attachment is on the interior of the fixed window.
4. (Canceled)
5. (Currently amended) The window assembly of claim 1 2, wherein the attachment is on the exterior of the fixed window.
6. (Canceled)
7. (Canceled)
8. (Original) The window assembly of claim 1, wherein the cover is made from polyurethane.
